

# Chantilly Coders

## Chantilly High School

**Username:** team9

**Password:** tulip uncertainty immerse fiesta

## Instructions

1. Do not touch the computer until the round begins.
2. Log into the virtual machine using the password `tjioi`.
3. Open the contest site at <https://activities.tjhsst.edu/tjioi/grader/>.
4. Click on “Contest Grader” to access the grader, and log in using the username and password above.

## Rules

- You may use only one computer during the contest.
- Do not attempt to exit the virtual machine.
- Do not use any other electronic devices. If you have any, give them to a volunteer or your team coach before the contest begins.
- If you have a problem with your computer, or accidentally exit the virtual machine, alert a volunteer immediately.
